GABRIELLA VITORINO

ABOUT ME

A passionate and devoted actress with formal training. I have a strong work ethic, high energy, and a relentless desire to learn and perform. I approach every role with emotional honesty, curiosity, and respect for the craft.

I am particularly drawn to film and theatre projects that are emotionally complex, thought-provoking, inspiring, radical, and creatively challenging.

I believe in myself and I believe that, through hard work and discipline, I can bring something unique and boundary-pushing to theater and film.
